GARBAGE DISPOSAL GUIDELINES

How to dispose of garbage and recyclables from households

- *Must be put out by 8:30am at the designated collection site on the designated day
- *Only 3 bags of garbage per household per collection day
- *INDUSTRIAL WASTE-from shops, restaurants, offices, factories, etc. must be collected by an industrial waste company or taken to city waste disposal centers by the business itself.

GARBAGE BAGS ACCEPTED IN TAKASAKI	
COLOR	Clear or transparent (with no writing or pictures of any kind on the bag)
SIZE	20L～ 45L
SHAPE / MATERIAL	Plastic, with or without handles

BURNABLE GARBAGE

Must be put in a city-accepted garbage bag for collection, except futons and twigs/branches which must be tied up. Collected twice a week on _____.

- ★KITCHEN WASTE (well-drained)
- ★CARPETS (cut into 60cm x 60cm pieces and tie together or put into a designated garbage bag). ✕Cut off the controller and cord of electric carpets and dispose of as non-burnable garbage, or place in a small household electrical appliance collection box (see reverse)
- ★VINYL & RUBBER PRODUCTS (cut hose into 60cm lengths)
- ★SOFT PLASTICS (that bend when pushed with a finger, like shampoo, soap, cooking oil bottles etc.)
- ★REFRIGERANT & DISPOSABLE HEATING PADS
- ★STYROFOAM
- ★CASSETTE & VIDEO TAPES
- ★CLOTHING, LEATHER GOODS
- ★LEAVES, GRASS, SMALL TWIGS (dry well)
- ★TWIGS, BRANCHES (up to 3cm in diameter, 60cm length / tie into bundles of 30cm in diameter / DON'T burn them at home)
- ★FUTONS (fold lengthwise into thirds and tie together with string)

NON-BURNABLE GARBAGE

Must be put in a city-accepted garbage bag for collection. Collected twice a month on _____.

- ★LED LIGHTS, INCANDESCENT LIGHTBULBS ✕fluourescent bulbs are classed as recyclable/hazardous
- ★HARD PLASTICS (Plastics that don't bend when pushed with a finger, like CDs, toys, buckets, wash basins etc.)
- ★CANS (food cans, milk cans, tea cans, snack cans etc. Rinse lightly)
Please cooperate by recycling drink cans.
- ★GLASSWARE & DISHWARE & INCANDESCENT BULBS (wrap in paper and write ‘キケン’)
- ★METAL ITEMS
- ★LOGS (up to 10cm in diameter) & WOODEN BOARDS (up to 2cm thick× 50cm wide) (must be fully dried / tie into bundles of 30cm in diameter)
- ★Umbrellas
- ★SMALL HOUSEHOLD ELECTRICAL APPLIANCES (put one item in one city-accepted rubbish bag, be sure to remove any batteries beforehand)
Takasaki City encourages the recycling of small household electrical appliances. See reverse for details.

RECYCLABLE & HAZARDOUS ITEMS

Collected twice a month on _____.

PAPER ITEMS = TIE INTO BUNDLES DIVIDED INTO THE FOLLOWING CATEGORIES:

- ★NEWSPAPER & FLYERS
- ★CARDBOARDS-wavy
- ★MILK CARTONS (rinse, open out flat and dry, bundle aluminum-lined cartons separately)
- ★BOOKS & MAGAZINES
- ★PACKAGING, WRAPPERS, ENVELOPES, PAPER BOXES, TOILET ROLLS etc. (remove any non-paper parts and put in a paper bag and tie together)

Don't put out your paper recycling on rainy days.

PET BOTTLES = PLACE IN BLUE NET

Remove cap and label, rinse bottle and crush. Cap=non-burnable garbage, label=burnable garbage.
Bottles that contained oil should be disposed of as burnable garbage.

Don't put items other than pet bottles in the blue net.

DRINK CANS = PUT IN A BAG

Rinse can and put in a clear or transparent bag. No need to separate aluminum cans from steel cans.

Dirty drink cans, food, milk, tea, oil cans etc. should be disposed of as non-burnable garbage.

GLASS BOTTLES = PLACE IN COLLECTION BINS

Remove cap, rinse bottle, and place in the appropriate bin.

Cosmetic bottles are accepted, but pottery, light bulbs, glassware and cups should be disposed of as non-burnable garbage.

SPRAY CANS, GAS CARTRIDGES & DISPOSABLE LIGHTERS = PLACE IN YELLOW NET

Dispose of when the contents are totally used up. ✕No need to puncture the can before disposal

If there is some product left in the item, take it to the General Waste Management Division of Takasaki City Hall or to a city branch office.

DRY CELL BATTERIES = PLACE IN SMALL RED COLLECTION BIN

Remove batteries from the case they were in before disposal.

FLUORESCENT LIGHTS

Put out for collection in their original packaging or wrap in newspaper and write ‘蛍光灯’=KEIKOUTOU on it.

Incandescent bulbs and broken fluorescent lights must be wrapped in newspaper and disposed of as non-burnable garbage.

- *See the reverse for information about how to dispose of items not able to be put out at regular collection points.
- *The city has subsidies for the purchase of household garbage disposal units. Please ask at the General Waste Management Division at City Hall.

BURNABLE GARBAGE & RECYLABLE ITEMS
ARE COLLECTED EVEN ON PUBLIC HOLIDAYS
& SUBSTITUTE HOLIDAYS

HEAVY/LARGE ITEMS (Oversize garbage)

Items that weigh more than 10kg or that don't fit into a city-accepted garbage bag

粗大ごみ処理券
金 520円

There are two options:

① Have it collected by Takasaki Kankyohozen-sha Corporation.

1) Call the Takasaki Kankyohozen-sha Corporation and make a reservation for pickup once the item is confirmed as collectable. Up to 5 items can be disposed of at one time.

2) Purchase an ‘OVERSIZE GARBAGE DISPOSAL TICKET’ (520 yen per item, price subject to change due to changes in consumption tax) at the General Waste Management Division (counter 38, 2nd floor of city hall) or at a Citizens’ Service Center.

3) Write your name on the ticket, stick it to the item and place the item outside on your property facing the street by 8:30am on pickup day. The Takasaki Kankyohozen-sha Corporation will collect it as arranged. You don’t need to be there at the time of collection.

Takasaki Kankyohozen-sha Corporation: Open Monday - Friday, 9am - 5pm, (closed on holidays), TEL: 027-322-1942

*The ‘OVERSIZE GARBAGE DISPOSAL TICKET’ is not refundable.

② Take oversized items to the city waste disposal center yourself at no cost (no need to buy a disposal ticket).

LARGE VOLUMES OF GARBAGE

-from moving house, etc.

Contact a private garbage collection company or the Hygiene Management Division.

UNGLAZED CERAMIC WARE

Flowerpots, bricks, soil, tiles, concrete

Can be taken to the city waste disposal center (Kamiokudaira). Fee: 12 yen per kilogram plus consumption tax on the amount above 40 kilograms (up to 40 kilograms in one load is free of charge).

SMALL HOUSEHOLD ELECTRICAL APPLIANCES, WIRELESS REMOTE CONTROLLERS AND ELECTRICAL CORDS

-Telephones, radios, DVD players, portable music players, cameras, hair dryers, flashlights, watches, game players, car navigation systems, etc.
